DOL Proposes Delay of Fiduciary Rule

WHAT HAPPENED?	The DOL has recently proposed to extend the April 10, 2017 applicability date of the Fiduciary Rule to June 9, 2017. This 60 day extension is intended to examine any adverse effects for investors attempting to gain financial advice and to prepare an updated economic and legal analysis of the rule's impact. Starting on March 2, 2017, the public will have 15 days to provide comments on the DOL's proposed delay and whether the Fiduciary Rule should be revised or rescinded.
WHAT DOES THIS MEAN FOR ME?	The proposal will be available in tomorrow's Federal Register . Fairview will continue to update clients as new information is made available and will help clients with preparing for the Fiduciary Rule if necessary.
